

# Allenwood PTG Newsletter

February 2018

## From Allenwood Elementary Administration and Nurses Office:

We would like to stress the importance of food and allergy awareness of the numerous and various (food and non-food) allergies that are present with our students. In an effort to continue an environment where all children can feel included in celebrations, **please refrain from sending in candy or any edible treats** with your Valentine cards. Thank you for your continued support in keeping Allenwood a safe and healthy environment for all of our students.

## February Events

- Box Tops due on **February 2nd**! The winning class this year will receive a Luau Party with the Kona Ice Truck this Spring! Please reach out to Melissa Cullen at [melissacullen@live.com](mailto:melissacullen@live.com) with any questions.
- Don't miss out on the memories! It's time to order your Allenwood Yearbook! **\$30** per hardcover book includes large full color pages and lots of candid photos. - Thank you to those that registered for the Valentine's Dance. At this time, we are at our max capacity and unfortunately will not be accepting any further registrations!
- Allenwood School students are celebrating their **14th** year participating in the American Heart Association's Jump Rope for Heart (JRFH) campaign led by our Physical Education teacher, **Jennifer Salt**. Through JRFH, kids learn jump rope skills, how their heart works, and raise money to help kids with special hearts. The students have been working hard to perfect their jump roping skills for the big kickoff event on **Monday, 2/5**. JRFH campaign envelopes & instruction for joining the Allenwood team page will be sent home soon. The campaign will run throughout the month of February and close on **March 5th**. Please have your students show their support by wearing pink or red to school on jump day and throughout the month of February.
