Shout Outs!

You have an option to purchase space in the "Go West!" program where you can send a message to your student involved with the show in the form of a personal ad or "Shout Out". A "Shout Out" is a **SHORT** message sending words of encouragement or congratulations to someone involved in the production. Your message can be directed to a single student, a group of students, or the entire cast and crew.

The cost of a "Shout Out" is \$5 for two lines with a maximum of 30 characters on each line.

The deadline to purchase and submit your "Shout Out" is Friday, February 21, 2020.
