

# AUNT MARE'S PRETZELS

Contributed by

**James C.**

Bag of circle shaped pretzels (Utz makes "wheels")  
FRESH bag of plain Hershey Kisses (not ones sitting around your pantry!)  
Bag of M&Ms

Heat oven to 300.

Arrange pretzels on a baking sheet/jelly roll pan. Place an unwrapped Hershey Kiss in the center of each.

Place in oven for 3 minutes.

Push an M&M down onto the center of the Kiss gently. An adult may need to do this as the chocolate can be hot.

Let cool and harden overnight/in fridge.

Try not to eat them all in one sitting!
