

Melania Trump's Star Sugar Cookies

Contributed by

Immanuel J.

Ingredients:

2 cups all-purpose flour
1/2 teaspoons baking soda
6 tablespoons unsalted butter, softened
1 cup confectioners' sugar
2 egg yolks
1 egg white
2 tablespoons sour cream
1/4 teaspoon salt
1/2 teaspoon vanilla extract

Directions:

- Combine flour and baking soda. Set aside.
- Beat butter and sugar until blended. Add egg yolks, egg white and sour cream. Beat until smooth.
- Beat in flour mixture until dough just comes together.
- Form into two disks, wrap in plastic and refrigerate at least 30 minutes.
- Heat oven to 350 F. Roll out one disk on floured wax paper with a floured rolling pin to 1/8-inch thickness.
- Using a star cookie-cutter, cut out star shapes and place on a wax-paper-lined baking sheet. Repeat with second disk.
- Bake 10 to 12 minutes, or until lightly golden.
- Slide cookies onto a cooling rack and cool. Use colorful icing to make the stars your own.
