September 2021

Message from the Board

Welcome to the 2021-2022 school year at Allenwood Elementary. The PTG (Parent Teacher Group) provides financial support for educational and recreational needs, promotes open communication between administration, teachers, and parents, and encourages Allenwood school spirit and pride within our community. As a PTG, we are committed to that sense of community, connection, and support every day. The PTG thrives best when families are engaged. We are grateful to have such a large body of parent volunteers and are always happy to welcome new faces.

Please read on to learn about some of our Back to School events. We look forward to an exciting year!

~Lauren Galok, PTG President
