February 2022

## Valentines Day Exchange

We would like to stress the importance of food and allergy awareness at Allenwood. There are a variety of food and non-food allergies that are present with our students. In an effort to continue an environment where all children can feel included in our celebrations, please do not send in candy or any edible treats with your Valentine's cards. Also, please send in a card for every student in the class. Thank you for your continued support in keeping Allenwood a safe and healthy environment for all of our students.

## Kid's Heart Challenge

Allenwood students are celebrating their 18th year participating in the American Heart Association's Kids Heart Challenge (KHC) campaign led by our amazing Physical Education teachers. Through KHC, kids learn jump rope skills, how their heart works, and raise money to help kids with special hearts. Envelopes with instructions for joining the Allenwood team page will be sent home on 2/1-2/2. The campaign will run throughout the month of February and close on Friday, March 4th. Students are encouraged to show their support by wearing pink or red to school for the KHC Event Day, March 4th.
