March 2022

Message from the Board

During March and April, Allenwood students will have an opportunity to enjoy two PTG sponsored assemblies. On March 18th, the students will experience The Signature Project. This assembly combines art, music, technology, science, engineering, and math presented in a very unique and entertaining way. Additionally, on April 25th, Bubblemania will be presented. The Bubblemania show is a spectacular blend of bubble based science and hilarious humor. Thank you for your continued support of Allenwood PTG fundraising efforts which make these assemblies possible.
